

Curriculum Vitae – Herman van Wietmarschen

1974 Born in Oss, The Netherlands

Citizenship Dutch

Current position

Sept 2016 Scientist Integrative Health at Louis Bolk Institute, The Netherlands

Education, qualifications

1995 - 1996 Philosophy at the Utrecht University

1992 - 1997 Medical Biology at the Utrecht University
Minor in Oncology in the Academic hospital in Utrecht. Subject: regulation of expression of adhesion molecules on endothelial cells.
Major in BioPhysics in the BBL Utrecht. Subject: interaction of depth cues.

Work experience since graduating

1995 - 1996 Philosophy at the Utrecht University

1992 - 1997 Medical Biology at the Utrecht University
Minor in Oncology in the Academic hospital in Utrecht. Subject: regulation of expression of adhesion molecules on endothelial cells.
Major in BioPhysics in the BBL Utrecht. Subject: interaction of depth cues.

2012 – 2016 Scientist at TNO, dep. Microbiology & Systems Biology

2008 – 2012 PhD researcher, LACDR, Leiden University. Systems biology of rheumatoid arthritis

2006 – 2008 Researcher at the Osteo- and Rheumatoid arthritis foundation.
Responsible for funding arthritis related research in the complementary and alternative medicine (CAM) field

2006-2007 Associated Researcher at Critical Technology Construction, Wageningen University

1998 – 2007 Research journalist at the foundation Discussion about Biotechnology

1997 – 1998 PhD researcher, BBL Utrecht University. Mapping visual-motor space

Volunteer positions

Since 2017 Editorial board member of European Journal of Integrative Medicine

Since 2012 Staff member Sino-Dutch centre for Preventive and Personalized Medicine

Since 2012 Member Advisory Board of the Journal of Integral Medicine (Dutch)

2010 – 2012 Editor Journal of Integral Medicine (Dutch)

2008 – 2009 Board member of the CAM researchers network, Netherlands

- 2008 – 2010 Member of the Scientific Advisory Board of the Osteo- and Rheumatoid Arthritis foundation
- 2007 – 2010 Board member of the Taoist Tai Chi Society of the Netherlands
- 2003 – 2010 Branch committee member of the Taoistische Tai Chi Society Middle branch (2003-2006 president).
- 2002 – 2012 Volunteer Taoist Tai Chi Instructor

Projects, grants and prizes

Business to business contracts

- TNO - Samueli Institute, Modeling successful reintegration
- TNO - EWHA University, systems flexibility
- TNO - Beter.nl, Integrative Coaching program
- LBI - Winclove, implementing probiotics in elderly care
- LBI - Rehabilitation center Schakelring, implementing motor imaging

Co-applicant on granted project proposals

- LU - Writer of three Chinese Scholarship Council grants for Chinese PhD students (granted in 2012)
- TNO - Writer of PPP project alcohol and cognition
- TNO - Co-writer of PPS Personalized Nutrition & Health

Prizes

- 1st Poster price 26th Symposium on Chemometrics in 2010

International activities

Key international collaborations

- Samueli Institute (US), Dr Wayne Jonas, Dr John Ives
- Dalian Institute of Chemical Physics (Dalian, China), Prof Dr Guowang Xu
- EWHA Women's University (Seoul, Korea), Prof Dr Oran Kwong (BioSynergy consortium)
- Shanghai Institute of Systems Biology (Shanghai, China), Prof Dr Luonan Chen
- Translating Vitalities workgroup, Dr Volker Scheidt et al. (integrating sciences)
- UCSD, Dr Kirstin Aschbacher (systems health)
- Nestlé, Colleen Draper (optimal health and subtyping)
- USUS, Dr Patricia Deuster (military fitness & nutrition)
- Consciousness and Healing Initiative (US), Dr. Shamini Jain
- Director Institute for Complementary and Integrative Medicine (Zurich), Dr. Claudia Witt

Other academic activities

- Keynote lectures: Systems and Network biology and TCM conference (Adelaide, Australia), CERP meeting (Irvine, USA), BioSynergy Symposium

2015 (Shanghai, China), Acupuncture Conference 2015 (San Salvador, Brasil), Acupuncture Research Conference 2017 (San Fransisco, USA).

- Invited lectures: Health Innovation Lab (Zeist, the Netherlands), European TCM association (Brugge, Belgium), DICP symposium XIX (Dalian, China), Rheumatology department UMC (Utrecht, the Netherlands), Opening SD-PPM (Leiden, the Netherlands), American Psychosomatic Society Annual meeting (Athens, Greece), PAO Farmacie congress (Utrecht, NL), GP-TCM congress (Leiden, NL), USUS CHAMP lecture (Alexandria, USA), Translating Vitalities workshop (Seattle, USA), BioSynergy Symposium 2014 (Seoul area, Korea), TM workshop (Groningen), SURON, Food Ingredients Korea 2015 (Seoul, Korea), BioSynergy 2016 (Leiden), GIRI meeting 2016 (Amsterdam), NIKIM network meeting 2016 (Utrecht)
- Memberships: American Psychosomatic Society, Taoist Tai Chi Society, Consciousness and Healing Initiative
- Reviewing: Plos One, Journal of Ethnopharmacology, Journal of Translational Medicine, Evidence-based Complementary and Alternative Medicine, Phytomedicine, American Psychosomatic Society
- Teaching: systems biology at Leiden University, Utrecht University, Wageningen University, Groningen University, SURON, NVF, EWHA University, Suzhou University, Vogellanden rehab center Zwolle
